

ALTO PENDANT

PRODUCT SPECIFICATION

DESCRIPTION

With the Alto pendant, AM studio pays homage to one of the greatest architects and design visionaries of the 20th Century by appropriating Alvar Aalto's iconic Savoy glassware design into a porcelain light fixture. Each pendant begins with a pleasing curvilinear form made of elusive porcelain which can then be hung in various configurations based on your special specifications. The resulting fixture is a sculptural show stopper with a soft yet radiant glow.
