

Plissé 11 White, Clear & Fading White Fixture

DESCRIPTION

11 units of White, Clear and Fading White coloured glass panels in different sizes perpendicularly hanging down from a 20" x 36" rectangular ceiling base housing 6 LED MR16 6W Bulbs in total drop of 24"H.

The avant-garde design of the Plisse light fixture exemplifies how aesthetic and function can work together harmoniously to provide an architectural design. Hand-crafted glass panels are staggered in a perpendicular design that hangs from a ceiling base which houses dimmable LED spotlights. Ideal for your kitchen island, entrance, hallway, reception, bedroom, working area, boardroom, dining and any centerpiece or space that requires bright LED dimmable lighting with sculptural appearance.
