DESCRIPTION

Puro Floor is the latest addition to the Puro family, expanding an already extensive range of interior lighting possibilities. The Puro family is a boldly minimalistic variation on atmospheric pendant lights. Inspiration for the collection and its name come from the Spanish word for "cigar", which also means "pure" and is a reference to the composition's clean lines.

TECH. DESCRIPTION

Puro Floor comprises a robust metal base for stability, LED light sources, and glass tubes of opal or grey glass. The light is fitted with a 3P power cord.
