PURO SPOTLIGHT
Pendant Light

DESCRIPTION

Puro is a boldly minimalistic variation on atmospheric pendant lights. Inspiration for the collection and its name come from the Spanish word for "cigar", which also means "pure" and is a reference to the composition's clean lines. The Puro collection comprises of single vertical or horizontal tube or a single bell light suspended beneath a vertical tube and dual bell lights suspended beneath a horizontal tube. The diffused glow of the tubes combines with that of the bells to elicit a dynamic ambience, while the alternating gloss and matte finishes provide a degree of provocation. Puro offers atmospheric room lighting as well as lighting for offices, hospitality interiors, boutiques, showrooms and private dining areas.
