

DATASHEET

Name: **BONBORI WALL**
Type: Wall Light
Designed by: Fumie Shibata Design SS company

DESCRIPTION

The gentle light of Bonbori pays tribute to a traditional Japanese lantern. Its skilfully crafted handblown glass and soft luminescence create a magical and festive ambience to be enjoyed as thoroughly in solitude as with family and friends. The new indoor light features special connectors developed by Brokis that make it easy to unplug and move outside to a covered exterior space, for instance.

TECH. DESCRIPTION

The new Bonbori Wall lights meet the IP44 rating for outdoor lighting. The simple stainless-steel body is finished in an environmentally friendly weather-resistant powder coating. The easily removable LED light source, which can withstand below-freezing temperatures, casts a gentle glow through a diffusor and laser-cut openings in the stainless steel.
