

DATASHEET

Name: **OVERLAY**
Type: Pendant Light
Designed by: Lucie Koldova

DESCRIPTION

The Overlay collection arose from a synthesis of various materials on mood boards during a creative process that involved seeking ideas and associations between art and design, overlaying different textures, and playing with volumes. The blown transparent glass tubes instill the Overlay collection with a distinctive character, as does the unique concrete fixture embedded with shards of upcycled glass from Janstejn Glassworks.

TECH. DESCRIPTION

The Overlay collection is made with three different types of glass: the light tube is crafted from handblown glass; the concrete base is embedded with 3-4 mm glass shards for an attractive aesthetic element; and crushed glass is used in place of sand as the primary binder in the concrete base. The transformation of waste shards into new decorative products constitutes an ecofriendly and efficient upcycling of glass, thanks to which Janstejn Glassworks is able to pursue a successful circular economy strategy and thus contribute to the formation of a healthy symbiosis between nature and people.

PRODUCT DETAILS

Glass Colour

Transparent glass	A	CGC23
Smoke grey - transparent glass	A	CGC516
Amber - transparent glass	A	CGC515

Glass Surface

Glossy surface	A	CGSU66
Acid-etched outside surface	A	CGSU67

Base Finish

High-performance concrete with glass fragments - white	A	CSFB2879
High-performance concrete with glass fragments - natural	A	CSFB2880
High-performance concrete with glass fragments - anthracite	A	CSFB2881

Canopy Finishes

High-performance concrete with glass fragments - white	A	CCSC2882
High-performance concrete with glass fragments - natural	A	CCSC2883
High-performance concrete with glass fragments - anthracite	A	CCSC2884

Cable Colour

Textile cable - white	A	CECL521
Textile cable - light grey	A	CECL1918
Textile cable - dark grey	A	CECL520

Recommended Bulbs

1000mm, 230V, LED, 8W, 2700K, 700lm, RA90, DIM	A	CEBEU2900
