

DESCRIPTION

The Eye Chandelier pairs the luminance of crystal beads with multiple hand-blown vertical lamps for a retake on traditional crystal fixtures. Comprised of 12 LED bulbs fenced in clear hand-blown glass pendants connected by brass holders on the Eye-shaped ring that is suspended by aircraft wires from the ceiling base. Brushed Nickel ceiling base of size 19”L suspends double crystal wires for each bulb creating a balanced symmetry. The ornate quality of the delicate beads paired with the simple yet polished look of the glass pendants bring a sophisticated look to any space. The finish of the base is fully customizable and the height of the fixture can drop according to your space. Perfect for foyer, staircase and dining.
