

DESIGNER: Zaha Hadid

YEAR OF DESIGN: 2017

Glass: Hand blown glass

Its design concept is realized in a three dimensional, asymmetrical, pair of intersecting glass forms. The striated surface of the crystal glass produces ever-changing effects of reflection and refraction. Narrowly directed light sources beam light through the mass of glass into the entire glass element, highlighting its geometry

Packaging

Duna

Size: 775 × 350 × 280 cm

Pallet: 12 pcs

Total weight: 18 kg

Dunawallsconce

Size: 280 × 200 × 780 cm

Pallet: 20 pcs

Total weight: 13 kg

TECHNICAL DETAIL DUNA PENDANT

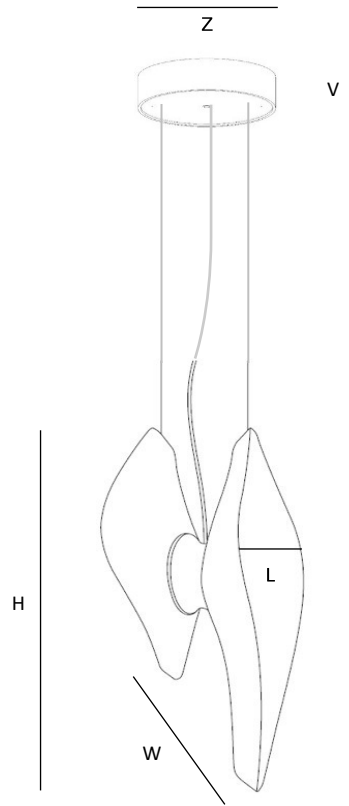

Type	CE	UL
Light source	2x LED module, 10W, 3000K Lm 1575 CRI 80 dimmable	
Input voltage	220-240 VAC, 50/60HZ	100-120V AC, 60 HZ
Cord Color	Transparent cabel, 2 stainless steel wire	
Rated Power	20W	
Ballast	Trailing edge	
Primary material	stainless steel, titanium champagne coating	
Cord Color	Coaxial cable 2 x 0,75 mm 2 silicone, braiding tinned	
Cord Length	2500mm/ 98 7/16"	
Prot. rating	IP 20	
Safety class	CLASS I	

TECHNICAL DETAIL DUNA WALL SCONCE

Type	CE	UL
Light source	2x LED module, 10W, 3000K Lm 1575 CRI 80 dimmable	
Input voltage	220-240 VAC, 50/60HZ	100-120V AC, 60 HZ
Cord Color	Transparent cabel, 2 stainless steel wire	
Rated Power	10W	
Ballast	Trailing edge	
Primary material	stainless steel, titanium champagne coating	
Cord Color	Coaxial cable 2 x 0,75 mm 2 silicone, braiding tinned	
Cord Length	2500mm/ 98 7/16"	
Prot. rating	IP 20	
Safety class	CLASS I
