

DESCRIPTION

This multi-pendant design of City Blocks mimics the silhouettes of a cityscape bringing a modern charm to your space. Comprised of various sized rectangular frame pendants overlapping one another at different heights creating an ariel impact. Pendants are suspended by electrical black wires from a custom ceiling base. Ultra-slim LED strips provide both up and down light creating layers of illumination. The finish of the base and pendants are fully customizable, and the height of the fixture can drop according to your space. Perfect for above a dining room table, kitchen island, conference table, living room, office, study, bedroom or any space that requires bright lighting.
