ELBOW SCONCES

This series of wall sconces is classically inspired. Scaled versions of our pendants hang from elegant metal armatures. The proximity of the pendant to the wall allows for each piece's unique light pattern to be magnified. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Designed and made by Siemon & Salazar in California. Signed.

Included candelabra base light assembly
backplate
25W incandescent bulb

MAX WATT 40W
Voltage 120V line voltage
