CUSTOM LIGHTING

VIBIA

Design By Ludovica+Roberto Palomba

The Dama table lamp pays tribute to classical lamps. Characterized by a delicate aluminum structure bordering a cylindrical paper shade, it creates a sense of weightlessness.

Design By Ludovica+Roberto Palomba

VIBIA

The Dama floor lamp is distinguished by its subtle design, both as regards its shape and its material. Its shade is made of paper, a tactile material, subtle and delicate, that emits a warm light. Its structure, a fine aluminum stem, softens and refines the design.

# Dama

3235

Design By Ludovica+Roberto Palomba

The Dama pendant lamp has an original, innovative design. Suspended from an almost invisible ultra-thin cable, it has an ethereal quality and its elegant silhouette floats overhead like a heavenly body.
