

## DESCRIPTION

The multi-ring design of LED Ring Chandelier creates a sense of narrative and harmony as the eyes travel the contours of the fixture. Comprised of 7 overlapping rings in difference sizes which are suspended by aircraft wires from a round 9”D floating ceiling base. LED bulbs provide both up and down light creating layers of illumination. The finish of the frame and discs are fully customizable, and the height of the fixture can drop according to your space. Perfect for above a dining room table, conference table, living room, office or study.
