13 CLEAR & AMBER PENDANTS ROUND CHANDELIER

DESCRIPTION

13 Clear & Amber Pendants Round Chandelier - Light refracted through a lens is the fundamental principle of optics. Two lenses harmoniously encapsulate their interior source, playing a symphony of lights. Classic clear crystal is offset by a single color that highlights its refraction. A hypnotic design, asking only unique composition and arrangement.

TECHINCAL SPECIFICATIONS

Brand
BOMMA

Designed by
Studio deFORM
