

Puck

Design by Jordi Vilardell.

Reference

5437.

Application

Ceiling Fixtures

Installation type

Surface mounted

Description

Puck achieves great purity of line and beauty of form. The use of triplex opal blown glass of the highest quality and the white cast aluminum body gives the product a perfect finish. Puck produces warm diffused illumination without glare. Whether selecting the single button of glass or a design with multiple diffusers each design only requires one junction box for mounting.

Diffuser

Matte triplex opal blown-glass diffuser

Materials

Wall support: Aluminum

Finishes

5437-03 White (RAL 9016)
