

### DESCRIPTION

The Kisses pendant is a symbol of delicate craftsmanship, elegance and attention to detail. Each pendant begins with a hand-crafted stylized drop made of porcelain. The pendants are then strung onto coiled electrical wires and hung from a custom-made ceiling base. Hang them in a row or stagger the pendants for a playful silhouette. The porcelain creates a soft, radiant glow that brings modernity and warmth to any space. Suitable for low or high ceilings and ideal as a kitchen island fixture, above a dining table or in a living space.
